Finding

sweet cherry

By the time we'd reached 18, all the girls in my circle had had their cherries popped. Not me, though—I just hadn't found the right guy. My friends laughed and said one cock stuffed in your pussy was pretty much like another, and I should just go for it, because it felt good and all. So, here I was nearly halfway into my eighteenth year...and still a virgin.

That is, until I met Jimmy. He was like really so much older

than me—he was 32 and all! But he was just so cool—and I knew I wanted to fuck him.

One night, after dining at a nice restaurant, I slid closer to him in the booth. I had dressed special for this evening—a tight leather skirt and black sheer blouse. I knew Jimmy could see my titties—he kept licking his lips. I took his hand and pushed it up under my skirt. Jimmy gasped when he discovered I wasn't wearing panties. I smiled

I want you on edge. I want you squirming until we get back to my place.

at him and opened my legs a bit. Jimmy smiled that crooked grin and trailed his fingers along my shaved pussy. Then suddenly one of his fingers slid deep into my pussy.

"Oh!" His thick finger felt cool. I mean, I had masturbated before, but this wasn't quite the same.

"Like that, Tanya?" Jimmy said.

"Oh yes."

He pulled his finger out al-

I licked my lips and leaned back in the booth. Jimmy's other hand just touched my breast casual-like, and it was like a hot wire shot from my nipple down to my pussy. Jimmy rubbed one nipple, tweaking it hard, making it really press against the nearly transparent material of my blouse.

"Oh, god, Jimmy, this feels so goood." I could feel I was about to climax. "Oh, oh, oh—"

Jimmy outside. I was squirming, all right. My pussy was leaking a mile a minute, and I tingled down there. I felt such a hungry ache all over. God, I wanted him—I wanted him now! So once we got in the car, I jumped him.

He laughed, then kissed me. "You're so hot, baby. You just can't wait until we get back to the house, can you?"

"Fuck that," I whispered, tearing off my clothes.

most all the way, then pushed it back between my puffy lips. Then he proceeded to pump it in and out of me. He fingerfucked me, all the while his thumb circled my clitty. I was trying hard not to look like I was being diddled—I mean, we were in public and all—but I couldn't. It felt so good! I started gasping, and one of the other diners looked over. When he realized what was happening, he grinned.

Suddenly Jimmy removed his hand from under my skirt. "What?" I pouted, my lips trembling. "You aren't gonna finish?"

"Babe," he said, bending over to pull one of my nipples, "we're gonna finish this with a big bang. But I want you on edge. I want you squirming until we get back to my place."

I had to tug down my skirt, which had been pushed almost up to my waist. Then I followed

Jimmy's gaze swept up on down my body, taking in my small tits, flat tummy, and smooth mound. He groaned. "God, Tanya, you are just so gorgeous. I don't think I can wait until we get home. But let's get out of this parking lot—it's a little too open."

"No," I said, surprising myself. "Let's stay here. And if someone sees us, well, that makes it all the more fun."

Oh, this wasn't like a finger at all! He was huge, and I felt like I was splitting in half.

He grinned.

I reached down and unzipped his pants and drew out his cock. It was like huge and really, really thick, and standing up straight. I wrapped my hands around it and began stroking, the way my friends had instructed me. Jimmy moaned, and his hips thrust a bit. Now a drop of pre-cum dangled on the tip of his cock.

I leaned back against the car door and spread my legs as wide

so close to coming again, when suddenly he pulled back.

"Oh, no!" I cried.

"I've got something better for you than my tongue, baby." He rubbed his cock against my pussy; then, because I was so wet, he just slid in easily. Oh, this wasn't like a finger at all! He was huge, and I felt like I was splitting in half. "Relax, sweetie," he grunted as he buried his cock inside my hotbox.

more."

"Come in me, Jimmy. Come in me!"

Suddenly his hot jism flooded my pussy. He cried out, his cock delving deeper and deeper, and he had so much jizz that it just poured out of my drenched pussy. Finally, his strokes slowed, and he collapsed onto me.

"You were fan-fucking-tastic, sweetie! And thanks for that beautiful present. Your cherry

as I could. "I'm a virgin, you know."

Jimmy groaned even more then. "Oh, baby, what a present you're giving me."

He buried his face between my thighs, his tongue tracing my dewy lips. Then his tongue slithered inside my hot pussy, and he fucked me with that hard tongue of his as he slurped and swallowed my juices. Hearing him gobbling my pussy-juice really turned me more! And I was

"Oh wow." I wiggled until my legs wrapped around him, drawing him deeper inside me. Then he thrust, long liquid strokes that just made my hot pussy burn even more for him! He sucked my tits while he pounded away at my pussy. One finger played with my clit, while he fucked me so good.

I cried out as a hot wave swept through me, leaving me trembling. Then Jimmy panted faster. "Oh baby, I can't hold off any

was so sweet."

"Thanks, Jimmy."

We heard the sound of clapping and looked out the steamed-up car window. The guy from the restaurant—along with two buddies—had watched, and now they were applauding.

There was nothing left to do but to fuck again—but this time I straddled Jimmy, my little tits jiggling all the while, and let me tell you the guys outside watching liked it almost as much as I did!

GIRL NEXT DOOR

KATHY

My boyfriend just came over and I told him I had a new toy that I wanted to play with. I told him that I would suck his cock but he could not lick me. He looked surprised until I pulled out my pussy pump. He started the pump and I sucked his cock. Soon my pussy lips were beyond plump, and I decided to let him suck them. Wow! It felt great!

TESSA

Last month my boyfriend told me he wanted to send pictures of me to the Girl Next Door lay-out in Gallery magazine. I first told him, 'No way! I don't want to anyone to see me fucking, or wacking off to me.' A couple days later, he asked if we could take pics of me blowing him. I guess I mellowed a bit in those two days and agreed. So we drove around took some pics. Afterwards, I told him I wanted to see them and approve them before sending them in. Okay, I took out a few, but you get to see the best ones!

KIMBERLY

Kim is new to taking sexy pictures and having sex in front of the camera. Her friend Mari talked her into it and the photographer, Grace made her feel right at home. It took a good hour to get all her clothes off and feel comfortable in front of the camera. After another twenty minutes, she was incredibly horny and gave her guy one helluva fuck. Afterwards, she said that was the sexiest she felt in a long time. Thank you Kimberly for not being too camera shy.

Tiffany rides the horse, and Rob rides Tiffany!

Riding Tiffany

My job as the horse groomer at a dude ranch is usually pretty mellow. Lots of loading and unloading of fat wives and half-drunk husbands onto beaten-down old nags, but no pressure. The fact that the ranch is 35 miles from the nearest town doesn't help my social scene, though. I'm a man in his sexual prime, in good shape from all that manual labor, but I had no one to share my ample assets with. All of that changed, though, when Tiffany rode into town.

Tiffany is the 18-year-old daughter of a wealthy dentist who brought his family in from the city, probably because he wanted to play cowboy and didn't want to leave his luscious young daughter at home to be ravaged by heathens. I could understand his concern. Tiffany was any guy's wet dream: five-foot four, with long, honey-blond hair that fell halfway down her back. She was a petite 115 pounds of tan, firm girl.

I first talked to Tiffany while I was saddling her horse, Buttercup. I had a hard time cinching the straps with her stretching right outside the barn door and asking me what I did around here for entertainment.

"Well, there's the Hoe-down every Friday night," I said, trying hard to keep my eyes off this barely legal girl's beautiful tits and ass. "Then there's the storytelling around the campfire."

"I've heard of going down on ho's," Tiffany said, smiling mischievously, "but I've never heard of a hoe-down."

Thinking of going down on this blonde sex kitten was

just a little more than I could handle. I had no desire to lose my job for flirting with the teenaged daughter of one of the guests, so I ignored the comment and sent the little hottie on her way.

I couldn't stop thinking about her, though, so after I sent the rest of the guests off into the woods on their own mounts, I saddled up my horse, Mr. Bojangles. Going on a nice, long, solo ride usually helps when I get a bad case of the hots for one of the guests, especially if I stop and stroke the rope along the way.

I reached my favorite secluded spot by the river just in time. I had a terminal hard-on and was about to blow just thinking of that sexy young girl. I tied my horse to a fallen tree and started down the hill into a small grotto ringed with brush, my favorite place to rub one out in a pinch.

That's when I first heard the moans. I slowed up a bit, not wanting whoever it was to hear me and stop the action. I peeked through the brush, and what I saw almost made me cream in my pants. There was little Tiffany, naked except for her cowboy boots and hat, ramming two fingers in and out of her hot slit.

I tried to be as quiet as I could when I unbuckled my pants and freed my aching cock. Tiffany began moaning louder as I started stroking. She was rubbing her clit and tweaking her nipples at the same time, throwing her head back in lust. Tiffany was obviously close to coming; she was tossing her head back and forth and back, slip-

ping her fingers in and out of her slit, faster and faster. I was about to blow my load when my boot started to slip, and my pants were around my ankles so I couldn't catch my balance when I started to fall. I tumbled right into the clearing, hard cock and all.

"I was wondering when you were going to join me," said Tiffany, still diddling her slit. "No sense in playing alone when we can play together."

I was trying to regain my footing and retain a bit of my dignity, but Tiffany was having none of it. She closed the gap between us and pushed me back down on the ground.

"I'm not sure that we should—" I said as she lowered her head to my lap. My protests stopped as soon as Tiffany's mouth touched my cock. The red lipstick she wore was a beautiful contrast to the brown of my cock. Her blonde pigtails bobbed up and down in a wonderful rhythm. Her tongue worked a wonderful pattern on the underside of my cock. I couldn't stop running my hands over her beautiful head and shoulders while she sucked me oh-so-lovingly.

"How does that feel?" Tiffany asked, jerking on my cock and rolling my fat, overfilled balls in her little hand.

"That feels so good," I said, pushing her head back down on my cock. "Don't stop now, please."

"I wouldn't leave you hanging, baby," she said. Then she wrapped her warm, red lips around me again.

Tiffany resumed her place on the blanket and started running her fingers along her juicy slit. "No one has ever kissed me there before," she said as I assumed my position. "All of the boys I've fooled around with thought it was gross."

"Well that's the reason that you need to be with a man," I said as I kissed the inside of her thigh, licking toward her slit.

She quivered as I neared her center. She was so excited that her juice was actually leaking down her leg. I lapped tenderly at her slit, moved her sparse blonde pubic hair out of the way, and nuzzled her moist warmth.

"Oh, my god," she said as my tongue entered her, "that feels so good! God, nothing has ever felt so good. Oh god, Oh god, I think I'm coming!"

That quick? I hadn't even really started to eat her out, and she was already coming all over my tongue. I lapped up every bit of her sweet juice, her hips grinding out of control, mashing her wetness into my face. Her moans began to fade away, so I licked her more slowly.

"That was amazing," she said in a sleepy voice.

"What do you mean, was?" I asked, still nibbling at her, sliding my finger into her warm slit.

"Mmm," she said as I resumed lapping at her. "I get more?"

"You taste so good," I said around a mouthful of her, "I could eat you forever."

I was almost at the edge when Tiffany opened her throat and swallowed me all the way down to my pubes. Her hand was still rolling my balls. Looking down into her big blue eyes flipped the final switch in my mind. My cock swelled, and my balls shot their seed into Tiffany's warm, wet mouth.

"Mmm, tastes good," she said, sliding off me and licking my sperm from her lips. "Is it my turn now?"

"God, yes," I said aching to get a taste of her. "Lie down and let me at you."

"Sounds good," she said, pushing my head back down on her, "but it feels better."

I worked one finger in and out of her, still nibbling on her clit. I moved back and forth with my tongue, in and out with my finger. This time she was slower to rise to her peak, her inside walls squeezing my finger as it traveled in and out.

My cock was as hard as steel while I pleased her. She was moaning and swiveling her hips, obviously enjoying herself. I knew that soon I wouldn't be able to help

myself. My cock was developing a mind of its own, and soon would have to have her.

Luckily, she caught on quick.

"My god," she said pulling me from between her legs by the back of the hair, "if you don't fuck me with that big cock now, I think I'm going to die."

I couldn't have that, now could I? My mouth traveled up her body. I licked and kissed at her belly, then moved up her chest, stopping at her nipples. Finally my tongue

"That felt fantastic," she said, while my cock slowly pumped in and out of her. "I want to do it again."

With that, she pushed me off her and onto my back. The summer breeze was cool on my wet cock as she positioned herself over me. Her little slit was still nice and tight as she sat on me. She hunched herself halfway down at first, then three-quarters of the way. Then, with a heavy breath, she pushed all the way down. What a sight: this lovely blonde nympho, wearing nothing but cowboy

made its way into her warm mouth. My cock was now in perfect position, rubbing on the outside of her slit, picking up the wetness there, bucking for entry into her young, tender flesh.

"Do it," she said, looking into my eyes. "Put your cock inside me."

I reached down with one hand and guided myself into her. Oh, sweetness! She was so tight, I almost came on the spot. Her inner walls milked me, just like they had my finger. Tiffany was extremely turned on, and the slickness of her juice eased the friction as I rode her.

I had to start out very slow. I could tell by the look in her eyes that she needed me to stretch her out before I really got going. It didn't take long, though. This little filly was hot to trot, and when I felt her start slamming her hips into me and moaning, I knew I was good to go.

That's when I started to really give it to her. My hips were bucking like a bronco's as I rode her. Tiffany gave just as good as she got, rising up to meet my every thrust.

"God, you feel so good in me," she said, "I want you harder, deeper. Oh god, fuck me."

Then she was coming. I could feel her insides fluttering against my cock. Her moans turned into a high-pitched wail, and she began raking my back with her nails. Her hips went crazy, thrusting in all directions. With a final grunt, she went limp against me, and I knew that she had come.

boots, riding me in the middle of the woods!

Tiffany's legs pistoned up and down as she rode my cock. Meanwhile, she diddled her clit with one hand. I stretched my arms out and took her lovely tits into my hands, rubbing and kneading them as she bounced up and down on me.

I began to feel my seed rising. "I'm going to come soon," I gasped.

"Give me a minute," she said, her pussy clamping down like a vise. She started fingering her clit twice as fast as before and soon was throwing her head back in ecstasy.

I gasped as she jumped up off my cock and fell to her knees on the ground. Her mouth engulfed me, taking me all the way down to the balls on the first attempt. This was just too much. My seed started shooting out of my cock like a runaway firehose. Tiffany swallowed my cum in big mouthfuls.

I can't remember ever coming so much. It just seemed to go on and on, but I didn't want it to stop—ever! When my cock was finished exploding, Tiffany planted a kiss on my cockhead.

The next week was a wild one as we broke in the hayloft, the tractor seat, the bunkhouse dining table, and the seat of my old truck. Tiffany sure spiced things up around the old dude ranch. I hope her parents bring her back again soon!

Living out here in the country has its ups and downs. I'm not up on all the new styles and I don't know any of the modern dances, but then my cares and worries are few. City girls have to meet out at night or try to fuck in apartments where the neighbors can hear them fucking. Our farm is really big, so I like to take a stroll out to the old barn and take a roll in the hay with a hunky farmhand. We can fuck as rowdy as we care to and none are the wiser. So I say, "Giddyup, cowboy. Let's party."

Tiffany

Wouldn't it be weird if I could see you too as you see me in this magazine? Make our viewing experience interactive. I may only be 19, but I've seen my share of cocks and I think I have seen yours before. You're not the quarterback, are you? Or the English professor? I'm sure I've sucked this cock before. The way your cock fills my throat and tickles the back of it reminds me of my old math teacher. But when you slip into my pussy and poke deep into my pink insides, I guess it doesn't matter who you are as long as you make me wet and feeling good. You can do that, can't you?
